→ WE ARE LOOKING FOR YOU

Our outstanding IT department is the core of our company and is primarily responsible for the ongoing development of our platform. In order to further advance the digitization of an entire industry, we are looking for continuous growth in our IT team here in Frankfurt as soon as possible!

Variety in work, a fantastic team creating a fun and motivating environment, flat hierarchies, a steep learning curve, a lot of responsibility, as well as the opportunity to shape the digital future - once you are here, you won't want to leave!

→ AT THINKSURANCE NO TWO DAYS ARE THE SAME! YOUR RESPONSIBILITIES WILL INCLUDE

- Development and implementation of interfaces for the Thinksurance system
- Creating efficient and high-performance structures, code and database queries
- Conception and development of algorithms based on **PHP** and **MySQL** for our online comparison calculators and internal tools
- Close cooperation with our IT leadership and a dynamic team of developers
- Further development of the software architecture, improvement of performance and caching
- Evaluation and testing of new technologies

WHAT YOU HAVE

- You're doing a degree in Computer Science, Informatics or a comparable subject
- You love programming and you are familiar with **MVC / SOA / API**
- You have first experience in **PHP** und **MySQL**
- You have knowledge in backend frameworks (best case: **Symfony** or **Laravel**)
- You're familiar with **jQuery**, **Bootstrap**, **HTML5**, **CSS3**
- You're excited about new technologies such as **Docker**, **Jenkins**, **SCSS**, **React**, **Rabbit MQ**
- Working in an **ambitious, successful team** and focusing on your personal and professional growth sounds good to you

WHAT WE OFFER

- **Modern company culture:** Flat hierarchies, quick data-based decisions and the requirement to co-design the company's strategic way forward are our day-to-day
- **Steep learning curve:** With us, you shape, not slave. For most challenges, you will be the first one solving them for our firm. Our highest priority is your personal development. Thus, you will learn daily, receive as much support as you need and have plenty opportunity to reflect on your output with our management
- **Making a difference:** We strive for making a sustainable difference in the sector – this is your opportunity to leave your footprint
- **Attractive compensation:** Free healthy snacks & beverages, team events, fitness classes and German language courses along with an attractive compensation are a given
